**General NPDES Permit for Concentrated Animal Feeding Operation  
Notice of Coverage Fact Sheet**

In accordance with the provisions of the Tennessee Water Quality Control Act (T.C.A. 69-3-101 et. Seq.) and Rule 1200-4-5, the Division of Water Pollution Control hereby notifies you of coverage under the Class II Concentrated Animal Feeding Operation (CAFO) General NPDES Permit effective as of September 9, 2009. This coverage is sent in response to the notice of intent we received on September 3, 2009.

The general CAFO permit expired on August 5, 2009. However, the coverages, such as yours (TNA000262), remain in effect and enforce until a new general CAFO permit is issued. You will be notified at each step of the permitting process including the draft permit, public hearing and comment period and final permit.

Enclosed is the Notice of Coverage, which shows the facility name, location, effective date and expiration date and a copy of the current General NPDES Permit for Concentration Animal Feeding Operation. The permit, Rationale and other information can be viewed and copied from the following website: <http://www.state.tn.us/environment/permits/cafo.shtml>.
